Re: American Nazi Party
Racial Matters

On May 9, 1962, a confidential source, who has furnished reliable information in the past, advised that George Lincoln Rockwell, leader of the American Nazi Party (ANP) would probably decline the use of Union Square Park, New York City for any of the three Sundays, May 13, 27 or June 3, 1962, which had been offered him by the Parks Department of New York City.

The source stated that Rockwell intended to request a permit for the use of Union Square Park on some weekday during the latter part of June, 1962 and is hopeful that the arrest of three ANP members on March 5, 1962 for wearing uniforms with swastikas will be dismissed by June 14, 1962, thereby enabling Rockwell and his men to appear in Union Square Park wearing uniforms with swastikas.

It is noted that [redacted] and [redacted] all self-identified ANP members were arrested at Carnegie Hall, New York City on March 5, 1962 and charged with violation of Section 1484A Sub Division A of the Penal Law of New York for wearing a prohibited uniform. b6 b7C

The above source stated that if these arrests are not dismissed, Rockwell intends to make an appearance in Union Square Park in civilian clothes.

The source further stated that if Rockwell's attorney, [redacted] Brooklyn, New York, is not successful in vacating within the next two weeks, the warrant currently outstanding for Rockwell's arrest, Rockwell will surrender himself to police authorities shortly thereafter so that there will be no obstacles to his planned appearance in New York City.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Re: AMERICAN NAZI PARTY, aka

On May 11, 1962, a source, who has supplied reliable information in the past, said GEORGE LINCOLN ROCKWELL, self-designated leader of the American Nazi Party (ANP), is currently planning a trip to Lewisburg, Pennsylvania. ROCKWELL plans to leave Arlington in convoy on May 13, 1962. As of May 11, 1962, ROCKWELL did not know how many ANP members would accompany him to Lewisburg.

ROCKWELL said he wanted a large number of ANP members to accompany him because the Lewisburg Police Department is small and cannot afford him adequate protection.

Source said ROCKWELL's purpose for trip to Lewisburg was to speak on the Post Office grounds for a "patriotic rally".

Source said ROCKWELL is also negotiating for a trip to Miami Beach, Florida. Source said ROCKWELL alleged that he had been invited to speak at Miami Beach auditorium where he would debate with a well known Jewish personality. Source said ROCKWELL did not identify the person with whom he was to debate .

ROCKWELL said he is trying to negotiate for round trip expenses. He said he is taking [redacted] with him to Miami Beach. ROCKWELL said he tentatively plans to leave weekend of May 18, 1962, for Miami Beach engagement.

Source said ROCKWELL is also planning to speak at Union Square, New York City. ROCKWELL claimed to source that permission had been granted to ROCKWELL for use of Union Square during July, 1962. Source said he did not know what date in July ROCKWELL would speak in New York City.

A characterization of the ANP is attached hereto and sources therein have furnished reliable information in the past.

Mr. [redacted] of the YMCA, Reading, Pa., advised that according to his records, ROY E. FRANKHOUSER, 22 years of age, and formerly of 623 North Front Street, Reading, Pa., presently occupies [redacted] there. He checked in April 28, 1962, and claims to be self-employed as a salesman. [redacted] said he knew from local papers that FRANKHOUSER had been in some local trouble, and interrogated him before acceptance of the registration. To date FRANKHOUSER has not created any disturbance. If he does, he will be asked to leave.

A pretext telephone call by a Special Agent of the Federal Bureau of Investigation, to the Moore Auto Body Company, Fifth Street Highway, Temple, Pa., on May 10, 1962, revealed that ROY E. He is a good employee, and earns \$1.60 per hour at present. FRANKHOUSER was born November 4, 1939. Enclosed for the Bureau are eight copies of a letter-head memorandum. Copies are also being furnished to other offices; equal in number to those sent with reference airtel, because of the discrepancy regarding FRANKHOUSER's residence.

FRANKHOUSER has been in the Reading, Pa., area ever since October 1961, at which time he returned from a trip down south. At that time subject may have visited ANP Headquarters, but was also in Atlanta, Ga., since he was arrested there.

FRANKHOUSER's employment was verified by a "credit pretext inquiry" made by SA [REDACTED].

Gentlemen:

A few days ago I spoke with one of your agents on the telephone advising that I had received some mail, unsolicited, which bothered me because of the apparent viciousness of some of it. A gentleman with whom I spoke was not sure whether you had already received it but thought it might be a good idea for me to forward it to you, and if I receive any more of the same type I certainly will send it on to you.

If you should wonder why I was singled out for this literature, I might explain to you that for the past several years I have been defending the Herricks School District in New Hyde Park in a case known as Engel v. Vitale which was argued before the United States Supreme Court on April 3, 1962. The issue involved is the propriety of my client, the Board of Education, having adopted a resolution providing for the voluntary recitation at the opening of the school day of a non-sectarian prayer composed by the New York State Board of Regents. The position of the School District is not "pro" any one religion but merely to carry out the national tradition of a non-sectarian prayer each day.

For reasons best known to themselves, people have observed my name in newspaper articles as a result of national press coverage and have presumed that I am either pro-something or anti-something, which is not the case, and if this propaganda has not previously come to your attention and is of any help to you, I am most happy to furnish it to you together with the envelopes in which it arrived.

Sincerely,

Bertram B. DAIKER

Enclosures
BBD:jm

P. S. I am sure that the envelope from California came as a result of the news articles on the prayer case since this is exactly as my name was listed in the newspaper. The New York envelope is readily understandable in my opinion since anyone in New York can look up a Nassau directory and find my name and address listed.

Re: American Nazi Party
Racial Matters

On June 7, 1962, Detective [redacted] Bureau of Special Services, New York City Police Department, furnished the following information.

On May 24, 1962, [redacted] 187 Court Street, Brooklyn, New York, attorney for [redacted] all members of the American Nazi Party (ANP) who were arrested in New York City on March 2, 1962, for violation of Section 1484A of the Penal Law of New York (wearing a prohibited uniform), filed an Affidavit of Motion to Demurrrer in the Clerk's Office, Court of Special Sessions, New York City.

A motion was made by [redacted] on May 31, 1962, to permit [redacted] mentioned above, to withdraw pleas of not guilty to informations filed on March 29, 1962, by the New York County District Attorney, and be permitted to interpose a demurrer to said information on the grounds that the facts stated therein do not constitute a crime. Furthermore, since the same information was to be filed shortly on [redacted], he would also be included in this demurrer.

b6
b7c

The motion to demurrrer was based on [redacted] contention that Section 1484A of the Penal Law cannot be violated by wearing the uniform of a storm trooper which ceased to exist in 1945, when the German Third Reich died.

On May 31, 1962, in Special Term, Part I, the demurrer was accepted and charges against [redacted] were dismissed by Justice Edward P. Breslin, Court of Special Sessions, New York City.

A characterization of the ANP is attached hereto and sources mentioned therein have furnished reliable information in the past.

Re: American National Party
Racial Matters

On May 21 and May 29, 1962, a source, who is in a position to furnish reliable information, furnished the following information:

The American National Party continues to maintain the mailing address of Post Office Box 191, Gracie Station, New York 28, New York, but has not leased the premises at 97-15 190th Street, Hollis, Queens, New York, for over one month. The latter address consisted of a very small building utilized by the American National Party for the purpose of storing supplies. Captioned organization is currently attempting to locate a headquarters in the "Italian Harlem Section" of New York City but as yet has been unsuccessful.

The activities of the American National Party have consisted of demonstrations and picketings at Communist rallies which are advertised in advance in such publications as "The Worker" and the "National Guardian".

"The Worker" is an East Coast Communist newspaper.

A characterization of the "National Guardian" appears in the appendix section of this memorandum.

Captioned organization recently received unexpected publicity when it was linked with the OAS, the French Secret Army in Algeria. This resulted from sending a circular printed by captioned organization to the OAS in Algeria. Apparently the envelope containing the circular, supporting the OAS, was seen by an OAS sympathizer who was employed in the post office in Algeria. This individual saw that the circular printed by captioned party was delivered to OAS

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

American National Party

Headquarters in Algeria where it was reproduced in both the French and English language and widely distributed. As a result some of the newspapers in the United States carried an item showing that the American National Party supported the OAS. Such publicity was most welcome since captioned group is in actuality a very small organization, struggling to increase its membership, and constantly in search of "free publicity".

The current membership of the American National Party consists of [redacted] Daniel Burros, and [redacted] of Sewell, New Jersey, was an active member until approximately one month ago when he dropped from sight and his present whereabouts are unknown.

Attempts are being made by captioned group to have [redacted] Houston, Texas, designated as the American National Party representative in Texas. Efforts to interest former American Nazi Party member [redacted] of Boynton Beach, Florida, in becoming the representative of captioned organization in Florida have apparently met with failure due to the lack of interest displayed by [redacted]

b6
b7c

The future plans of the American National Party call for the publication of anti-Negro literature which will be distributed in those areas of New York City where it is felt there is anti-Negro feeling. It is hoped that, through the distribution of this literature, the membership of the American National Party itself will be increased.

There will be no publication of any anti-Semitic literature since it is impossible to operate in the New York City area on a program of anti-Semitism. The primary aim of the American National Party is publication of literature aimed at anti-Negro elements and through circulation of this literature, recruitment of new members.

American National Party

Concerning other organizations, the Fighting American Nationalists (FAN) branch in Chicago has dissolved and is now known as the American Nazi Party with [redacted] former FAN Chicago leader, in charge. Another organization active in Chicago, the White Youth Corps, headed by [redacted] [redacted] is in reality a front group of the American Nazi Party.

b6
b7C

The National States Rights Party (NSRP) of Birmingham, Alabama, has promised to furnish its mailing list for the New York City area to captioned organization in return for members of the American National Party becoming members of the NSRP. Captioned organization, however, is not interested in such an arrangement.

GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party, intends to use the New York City Chapter of FAN to eventually establish a branch of the American Nazi Party in New York City; however, to date there has been no activity in this regard.

Characterizations of the American National Party, the American Nazi Party, FAN, FAN, NYC, and the NSRP are attached hereto and all sources, with the exception of the source used in the characterization of captioned organization have furnished reliable information in the past. The source in the characterization of captioned group is in a position to furnish reliable information.

American National Party

APPENDIX

AMERICAN NATIONAL PARTY

On March 26, 1962, a source advised that the American National Party was formed on November 24, 1961, and is composed of [redacted] National Chairman. DAN BURROS. Vice Chairman. Internal Security, [redacted] life of [redacted] Registrar and National Treasurer, [redacted] New York State Chairman and National Organizer, and [redacted] Defense Corps Commander, all of whom, according to the source, are former members of the American Nazi Party.

b6
b7C

The source stated that the above individuals severed connections with the American Nazi Party because of policy disagreements with GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party.

The source stated that the "open policy" of the American National Party is strictly anti-Communist but in reality, the purpose of the organization is to "break the inordinate power of the Jew in the United States through constitutional means" and to "eliminate the Negro from the population of the United States by sending him back to Africa." The source explained the "inordinate power of the Jew in the United States" to mean the complete control of the Jew over newspapers and other communication media in this country through which a great domination is wielded over the minds of the citizens of the United States.

The source further advised that American National Party hopes to attract a great number of anti-Communists who will eventually be educated to be anti-Semites, through distribution of anti-Communist literature.

The source stated that the American National Party maintains a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York.

The source further advised that since January, 1962, the American National Party has leased the premises at 97-15 190th Street, Hollis, Queens, New York, to serve as a headquarters, but which in actuality is a small wooden shack utilized mainly to store supplies.

FIGHTING AMERICAN NATIONALISTS
(NEW YORK CITY)

On May 8, 1962, Detective [redacted] Bureau of Special Services, New York City Police Department (NYCPD) advised that the Fighting American Nationalists (FAN) first made an appearance in New York City in October, 1960, when a small group picketed against John F. Kennedy, then a presidential candidate.

On May 8, 1962, a source advised that FAN is a front group of the American Nazi Party (ANP). The New York branch of FAN has no actual headquarters but utilizes Post Office Box 220, Murray Hill Station, New York 16, New York, as a mailing address.

b6
b7C

According to this source, FAN, NYC, was formed under the direction of George Lincoln Rockwell, leader of the ANP, Arlington, Virginia, and is composed of individuals who are in sympathy with the purposes of the ANP but who are reluctant to expose themselves publicly as ANP sympathizers.

The source advised that although FAN, NYC, has no formal membership list, individuals who participate in FAN activities consider themselves FAN members. [redacted] a member of the ANP, is the organizer of FAN, NYC, having been specifically designated as such by George Lincoln Rockwell.

For the information of Los Angeles, one [redacted] who described himself as a disillusioned American Nazi Party (ANP) member, visited the offices of the Anti-Defamation League (ADL) in New York City and while there mentioned that George Lincoln Rockwell planned, together with European contacts, a big anti-Semitic shock action to start on 6/21/62 with the bombing of a synagogue in Cologne, Germany. [redacted] also informed ADL that Rockwell planned to send 100,000 stickers into Germany with writing, such as, "Semitism is Treason, Communism is Jewish."

The Washington Field Office and Richmond checked out sources and informants and Rockwell was interviewed by the Arlington County Police. The sources did not know of any such activity and Rockwell denied any such plans.

In view of the similar information contained in the enclosed cablegram, the Bureau desires to know the full background of [redacted] Richmond, as office of origin, should set out appropriate leads to develop the full background of Rauen, who is reportedly from the Los Angeles area.

AMERICAN NAZI PARTY

A pretext telephone call by a Special Agent of the Federal Bureau of Investigation to the Moore Auto Body Company, Fifth Street Highway, Temple, Pennsylvania, on May 10, 1962, revealed that ROY E. FRANKHOUSER, 623 North Front Street, Reading, Pennsylvania, is employed there as a painter's helper. FRANKHOUSER was hired on April 3, 1962, and has worked regularly since. He is a good employee, and earns \$1.60 per hour at present. FRANKHOUSER was born November 4, 1939. His regular hours are 7:15 a.m. to 3:45 p.m., Monday through Friday, and he sometimes is asked to work Saturday mornings as well.

On June 1, 1962, the telephone operator at the YMCA, Reading, Pennsylvania, advised that ROY FRANKHOUSER was not in his room at the time since he did not answer his telephone.

A printed form letter, signed by GEORGE LINCOLN ROCKWELL, dated April 26, 1962, mailed to known supporters, reflected, in part as follows:

"Since the Stormtrooper was printed, Mr. ROY FRANKHOUSER, the National Organizer for the National States Rights Party, has resigned from that organization and become a fighting Stormtrooper in the American Nazi Party."

A characterization of the American Nazi Party appears in the Appendix.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation. It is the property of the Federal Bureau of Investigation, and is loaned to your agency; it and its contents are not to be distributed outside your agency.

MEMORANDUM

To: Arnold Forster

From: [redacted]

Date: May 28, 1962

Subject:

b6
b7C

Thursday morning, May 24, we received a visit from two disillusioned American Nazi Party storm troopers. One identified himself as [redacted] also known as [redacted] the other as [redacted] was the spokesman for the two and began by informing us that he and [redacted] were about to leave Rockwell because of a fundamental disagreement between Rockwell and themselves. Their purpose in coming to the ADL, they said, was to give us some information if we were interested. I said we were, but asked why they didn't go to the F.B.I. [redacted] replied that he hated cops and the F.B.I.

b6
b7C

A word about the pair. [redacted] is about 6' 1" and weighs about 250 lbs. I would judge him to be about 20 years old. He came originally from [redacted] In 1960 [redacted] went to Germany where he lived for about half a year in the city of [redacted] in the Ruhr territory. He worked there in various capacities in a big department store known as [redacted] During that time he was a member of a radical right-wing anti-Semitic organization named the Roehm-Bund, which took its name from the storm troop leader Capt. Ernst Roehm, who was murdered in the 1934 purge by Hitler.

[redacted] said that this organization was revolutionary, opposed to Jews, to the present Bonn government, particularly Adenauer and capitalism and that it was close in its views to those of Dr. Otto Strasser, head of the now defunct German Social Movement and for many years an anti-Hitler Nazi who, during the war, lived in Canada. During his stay in Germany [redacted] mentioned he went several times to the Russian occupied Eastern zone of Germany, particularly to the city of Chennitz. He also said that he had a cousin in the East German (communist) secret police.

[redacted] said that he over-heard remarks made by Rockwell to [redacted] to the effect that he planned, together with his European contacts, a big anti-Semitic shock action to start on June 21st with the bombing of the synagogue in the city of Cologne. For the purpose of this shock action, Rockwell allegedly plans to send some 100,000 stickers into Germany (and presumably to other European countries) bearing such imprints as: Zionism is Treason, Communism is Jewish, etc. [redacted] was not able to name any person or organization that might be involved in such a plot.

b6
b7C

After [redacted] return from Germany, he took up residence in the Los Angeles area. (Our files reflect various addresses on [redacted] including [redacted] Torrance, Calif., and [redacted], Los Angeles.)

[redacted] joined the Los Angeles branch of the Nazi Party in August, 1961 because, he said, he believes in the principles of national socialism. After a short time he concluded that the American Nazi Party did not believe in any type of socialism. (He

HENRY EDWARD SCHULTZ
National Chairman

BENJAMIN
National

stated that Jesus Christ was the first socialist, but he doesn't believe in brotherhood and the love thy neighbor philosophy that Jesus preached.)

[] then left the American Nazi Party and joined the Communist Party in Los Angeles; from there he went to the Trotskyites (the girls were prettier over there) and then went back to the American Nazi Party because Commander Rockwell persuaded him that he had a great future in the Party.

b6
b7C

[] related that he likes action and welcomed the opportunity to participate in street brawls, window breaking and violence which were from time to time required by American Nazi Party leaders. Although he disliked picketing, he did so under Party orders.

[] also related that he was beaten up on 4 different occasions, once so badly, that his head was split open and that he did not think he would pull through. These beatings, he said, were inspired by the communists.

Two or three weeks ago he left for the Party headquarters in Arlington because his mother was fearful that the communists would kill him and also because the head of the Nazi Party in Los Angeles, Lt. [] was thwarting his advancement. He indicated that [] was envious of [] ability as a speaker and writer. [] reported that [] and [] (Pomona, Calif.) a one-time Party functionary, were dope addicts.

[] reported that on the West Coast and elsewhere there were "official" American Nazi Party members, and "secret" party members, the latter consisting of individuals who, for one reason or another, did not wish to be officially identified with the Party. Further that there was a loose affiliation on the West Coast between Roger De Pugh's Minutemen and the American Nazi Party, with the Minutemen participating in some of the brawls precipitated by the Nazis.

[] related that after 2 weeks at the Party headquarters, he was ready to quit Rockwell for a number of reasons. Among the reasons given were: Rockwell was not a socialist; that the Party is tightly controlled by [] and, of course, Rockwell; the Party was not giving appropriate recognition to a man of his talents; Rockwell showed a lack of consideration for his troopers; that the troopers were not adequately fed; and finally, that there was not enough action for him. At this point [] again indicated that he craves action, and that he has no hesitancy at all about committing murder if it will further whatever cause he's interested in at the moment.

b6
b7C

The picture [] and [] painted of Rockwell headquarters conforms pretty much to what had been previously reported, i.e. that the headquarters is peopled by flotsam that drifts in from all over the country, remaining for a few weeks and then moving on; (he revealed that in the summertime they have a larger number of transients than in the winter because Rockwell is stingy with the heat. The summer visitors are labelled by Rockwell as the "summer Nazis").

[] said that Rockwell was a blabber mouth and at nightly sessions of the Party wherein Rockwell reports the day's events, he discloses much information that should not, in [] opinion, be made available.

2

unclassified

[] indicated that he became friendly with [] and by virtue of this acquaintance and Rockwell's loose tongue, he was able to learn the following: that Rockwell had been negotiating with H. L. Hunt for sizable contributions. Hunt, he said, would make a substantial contribution to the Party if Rockwell would only bring Christianity into the Party program. [] stated Rockwell is an atheist and so far has refused. He believed, however, that Hunt had made "some" financial contribution to the Party; and that Rockwell was in contact with the wife of [] Johann Von Leer and []. When asked where [] was currently residing, [] replied that he was in La Paz, Bolivia but he did not know what name [] was using on the exact address. He also indicated that Rockwell was in communication with [].

b6
b7C

[] related that on weekends there is an influx of sympathizers at the barracks and that every Saturday night, 20 to 30 soldiers, from nearby Army camps, particularly from Ft. Meade, were there, some in uniform. He indicated that these soldiers were all dedicated Nazis, some expressing the desire to further the Nazi cause in the armed services, others stating that they would join as soon as their enlistments were up. Rauen also stated in passing, that some of the soldiers from Ft. Meade would bring food and gasoline to headquarters. He did not specifically state whether the soldiers purchased these supplies or whether these were from army stores.

One soldier from Ft. Meade, whose name was supplied by [], was that of Pvt. [] who was described as hanging around frequently at headquarters.

[] also alleged that a Sgt. [] said to be stationed or to have been stationed at Floyd Bennett Field, was a visitor at Nazi Party headquarters. He was described as being ready to get out of the service soon if he was not kicked out first.

In response to a request for names of substantial contributors, [] said he knew of none because Rockwell keeps this information to himself. He did indicate that every Party member living at the barracks is required to contribute \$20.00 a week to the Party. When asked how the unemployed Party members meet their assessment, he intimated that many members of the Party were involved in muggings and robberies, thereby obtaining money for their contributions. Further, that every member of the Nazi Party, in addition to a \$10.00 yearly dues payment, was required to send \$5.00 a month to Party headquarters. Response by sympathizers throughout the country has generally been good, he stated, and Rockwell has been grossing well over a thousand dollars a week. In fact, he said Rockwell was very upset last week because they had taken in but a thousand dollars.

b6
b7C

[] was unable to say what became of the money or where it was banked and did indicate that the feeling around the headquarters by those who can think is that Rockwell is pocketing much of this money.

[] estimates that there are about 4 thousand Nazi Party members throughout the country and that of these, 2 thousand regularly send in money.

A Mrs. [] described by [] as a very wealthy anti-Semite, owns the property on which the barracks are located. She allows Rockwell and the troopers to reside there rent free. However, there is a possibility that the Party will have to evacuate the barracks because Mrs. [] has indicated that she desires to establish a haven for Cuban refugees on the premises.

[] recently fired from his government job, was described by [] as the keeper of "a little black book" which allegedly contains a list of Americans marked for assassination should the Nazis come to power. Included in the book, according to [] is the President of the United States. [] incidentally, is a sort of "personnel director" for the troopers, and seeks to obtain jobs for them in the D. C. area. Woolworth's, W. T. Grant, 5 and 10¢ Stores, B. S. Car Wash in Arlington, Va., the Tower in Fairfax, Va. are establishments where various members of the Nazi Party are working or have worked as a result of [] efforts.

[] also stated that [] and Rockwell have been living together from time to time and that [] which is believed to be Rockwell's. [] said that [] is employed by a law firm in Washington, D. C. and that from time to time she has helped the Party out with financial contributions. She was described as the "Eva Braun" of the Rockwell movement and it was stated that she has a sister who is a girlfriend of []. [] stated that several other young ladies hang around Party headquarters but that only their first names are known to him. He identified them as one named [] aged about 32-34 who works for the Telephone Company and who often drives Rockwell around by automobile. [] stated that [] is the girlfriend of [] who is more or less the official photographer of the Nazi Party who also draws cartoons for Party publications. [] was described as an ex-Beatnik.) The other young lady named by [] as a hanger-on at Party headquarters is named [] also employed by the Telephone Company, and she is a girlfriend of trooper []. [] stated, and [] agreed, that [] appears to be a spy for some outside organization. b6 b7C

[] indicated that [], a member of the inner clique at the barracks, would soon be leaving for Miami, if he has not already done so, for the purpose of making contact with Klansmen in the Miami area. It was unclear whether or not the Klansmen had expected Forbes or that Forbes would seek them out. In any event, the purpose of Forbes' visit with the unidentified Miami Klansmen was to persuade the Klansmen to begin a series of anti-Semitic incidents, possibly synagogue bombings, in order to set the stage for a visit by Rockwell which presumably would capitalize on the situation. b6 b7C

Re: American Nazi Party
Racial Matters

On July 10, 1962, a source, who has furnished reliable information in the past, advised that George Lincoln Rockwell, leader of the American Nazi Party (ANP) in Arlington, Virginia, has decided not to make an appearance in New York City on July 22, 1962 and in fact was postponing indefinitely plans for a future appearance in New York City.

The source stated that Rockwell's decision not to appear in New York City is based upon the fact that there is currently outstanding in New York City a warrant calling for Rockwell's arrest.

According to the source, Rockwell will make no plans about coming to New York City until a decision has been reached on the efforts of his attorney to vacate the warrant. The source further stated that in the event the decision is unfavorable to Rockwell, Rockwell plans to take his case to a higher court.

A characterization of the ANP is attached hereto and the sources mentioned therein have furnished reliable information in the past.

[redacted] was interviewed by Federal Bureau of Investigation Agents on July 18, 1962, as he came from the Martin Aircraft Tool Company, 10630 South Santa Fe Avenue, South Gate, California, where he is employed on the day shift as a turret lathe operator. He stated that in May, 1962 he was imbued with the idea of national socialism and his mother gave him \$200.00 to go to Arlington, Virginia, the headquarters of the American Nazi Party (ANP). He took a bus to Virginia and stayed at ANP headquarters for two weeks. During that time he became disillusioned with the ANP. He was at odds with GEORGE LINCOLN ROCKWELL mainly because at a mass meeting of some 40 or 50 members, at roll call he, [redacted], was referred to as "probationer" [redacted] while others who had only been affiliated with the ANP for one day were termed "storm troopers." He regarded this as an insult inasmuch as he is one of eight persons in the United States who has received the ADOLPH HITLER award for "actions above and beyond the call of duty in a picket line." He and another member, [redacted] a former bank robber, left the ANP and went to New York.

b6
b7c

In New York, they contacted an anti-ANP group with the main purpose of making a "deal" to steal the mailing list and/or the membership lists of the ANP. They hoped to get two to five thousand dollars for this. However, this plan to make money did not come to fruition.

In New York, they told about "official" ANP members and "secret" ones. [] defined secret members as those who supplied money to the ANP and official members as those who have membership cards. He said there was some connection between the Minutemen and the ANP because ROBERT DE PUGH, Minutemen leader, had sent representatives to the ANP. [] said he ascertained this from listening to general conversations at ANP.

[] said during the two weeks he was at the ANP Headquarters, he gave over \$100.00 to the organization, and he assumed others gave money. ROCKWELL makes at least \$1,000.00 a week. This information was also mentioned in general conversations at ANP.

Other information supplied in New York according to [] was that [] ANP member; had a book in which was listed the names of persons to be assassinated when the ANP comes to power. [] advised he had never seen the book but was told about it by its owner in casual conversation. [] denied he said that ROCKWELL planned any anti-Semitic bombings in Germany. What he did say was that ROCKWELL planned to send large numbers of anti-Semitic stickers to Germany, in English and in German. According to [] ROCKWELL has Nazi Party contacts in Germany who are anti-Semitic, but [] knows of no plans made by ROCKWELL or anyone else, for the purpose of bombing anything.

[] mentioned that another disillusioned ANP member, DAN BURROUGHS, had stolen the ANP membership lists some time previously and sold them to columnist WALTER WINCHELL. He said ROCKWELL confided in him saying everybody in the ANP is a "traitor."

[] concluded by saying he has completely disassociated himself from the ANP and his only concern at present is to work at his employment and not engage in any kind of extra-curricular activity. APPENDIX

FIGHTING AMERICAN NATIONALISTS,
NEW YORK CITY

On May 8, 1962, Detective [redacted] Bureau of Special Services, New York City Police Department (NYCPD), advised that the Fighting American Nationalists (FAN) first made an appearance in New York City in October, 1960, when a small group picketed against JOHN F. KENNEDY, then a presidential candidate.

On July 12, 1962, a source advised that FAN, a front group of the American Nazi Party (ANP), formerly utilized P. O. Box 220, Murray Hill Station, New York 16, New York, as a mailing address, but since the latter part of June, 1962, has used P. O. Box 130, Highbridge Station, New York 52, New York, as a mailing address. The source stated that FAN, NYC, has no actual headquarters.

b6
b7C

According to this source, FAN, NYC, was formed under the direction of GEORGE LINCOLN ROCKWELL, leader of the ANP, Arlington, Virginia, and is composed of individuals who are in sympathy with the purposes of the ANP, but who are reluctant to expose themselves publicly as ANP sympathizers. Although FAN, NYC has no formal membership list, individuals who participate in FAN activities consider themselves FAN members.

The source further advised that [redacted] a member of the ANP, who had been specifically designated by GEORGE LINCOLN ROCKWELL as organizer of FAN, NYC, had appointed [redacted] in the latter part of June, 1962, to the position of provisional leader of FAN, NYC.

Re: American National Party
Racial Matters

On August 1, 1962, a source who has furnished reliable information in the past, furnished the following information:

The American National Party continues to maintain a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York, but has no actual headquarters.

The American National Party which was formed originally on November 24, 1961, is presently composed of Dan Burros, [redacted] all former members of the American Nazi Party (ANP), who left the ANP because of policy disagreements with George Lincoln Rockwell, ANP leader.

The membership of the American National Party has gradually declined since its formation and is in danger of complete dissolution because of the lack of interest displayed by its present members. There has been no real activity by members of the American National Party because [redacted] wishes to continue the picketing activity of the American National Party against Communist Party (CP) meetings whereas Burros and [redacted] feel that picketing with only three persons is ineffective.

b6
b7C

Burros and [redacted] feel that the main activity of captioned party should be placed on the recruitment of additional members so that with the increased membership the American National Party will become an effective instrument for demonstrations against the CP and CP front organizations.

The American National Party has been unsuccessful in obtaining a headquarters as it had intended to establish in the "Italian Harlem Section" of New York City because it lacks sufficient funds to rent a suitable headquarters and because it has so few members.

Re: American National Party

[] seems to have lost all enthusiasm in connection with activity with captioned group and has reportedly been in contact with Edward R. Fields of the National States Rights Party (NSRP), in Birmingham, Alabama. Fields has asked [] to join the NSRP and has guaranteed [] a steady salary if he comes South and works for the NSRP. [] will attend the NSRP convention scheduled to be held sometime in September, 1962, in Florida and intends to discuss with Fields the possibility of joining the NSRP. [] wife [] also has a strong dislike for living in the New York City area and would like her husband to take up residence in the South. b6 b7C

The most recent activity of the American National Party is publication of a pamphlet entitled "Kill!" edited by Dan Burros, previously mentioned.

Burros realizes this pamphlet is extremely inflammatory and possibly a violation of law because it tends to arouse the "white man" to possible violence against his "enemies." In view of this, captioned party will not accept any subscriptions to this pamphlet but will distribute it carefully. The main purpose behind the pamphlet is to secure publicity and notoriety for captioned group and members of the group feel that this pamphlet may accomplish this end.

Several hundred copies of the pamphlet "Kill!" were reportedly shipped abroad to the British National Party, Hilltop, Manchester Road, Thornton Heath, Surrey, England, and to the National Socialist Movement, 42 Tudor Avenue, Broad Lane, Coventry, England, both described as strong nationalistic groups.

There are no immediate plans for any further activity by the American National Party in the New York City area.

Characterization of the American National Party, American Nazi Party and National States Rights Party are contained in the Appendix hereto and sources mentioned therein have furnished reliable information in the past.

AMERICAN NAZI PARTY

On July 24, 1962, [] was interviewed
at Cohoes, New York.

[] stated his parents, Mr. and Mrs. []
[] reside at [] and that he himself
resides in a room above the [] on Mohawk Street
in Cohoes, New York.

b6
b7C

[] related that he had been incarcerated at
the Woodborne Correctional Institution in New York State
as a Youthful Offender until 1961 when he was released. While
confined there and during his service in the United States
Air Force for a period of 14 months prior to his discharge
in August, 1956, he openly expressed his hatred for members
of the Negro race. As a result of such remarks he made
acquaintances among people from the southern states whom
he met while in the Air Force and while located at the
correctional institution. Through them he learned of
the existence of the American Nazi Party (ANP) and received
literature concerning that organization.

A characterization of the American Nazi Party is attached
hereto in the Appendix.

Having developed an interest in the activities of
the ANP, in April, 1962, [] went to Arlington, Virginia,
to the Headquarters of the ANP located on North Randolph
Street where he talked to one "CAPTAIN" [] who was dressed
as a storm trooper.

b6
b7C

[] questioned [] as to the reason for his

FBI - NEW YORK	

interest in the ANP and [] told him of his anti-Negro beliefs. [] apparently was satisfied and issued [] an Associate Membership for which [] paid [] a fee of \$10.00. [] had to pay for his own storm trooper uniform which he said consisted of khaki trousers and shirt, black tie, and black shoes. [] provided him with the uniform cap and arm band bearing the Nazi insignia.

b6
b7C

In connection with his Associate Membership, [] said he had to execute an application form setting out family background and comments as to his anti-Communist beliefs. [] claimed he had to have his application notarized before presenting it to the ANP.

He explained that ANP leader GEORGE LINCOLN ROCKWELL with whom he became acquainted in Arlington, informed him that ROCKWELL sent such applications to the FBI and other Government agencies for clearance because the ANP did not want to accept criminals who were on parole or who had been guilty of such crimes as rape or other violence or individuals who were AWOL from one of the branches of the military service.

[] continued that thereafter he took up residence at the ANP "Mansion" located at another address in Arlington, Virginia where approximately fifteen other ANP members or associate members also resided. He said that he paid ten dollars per week dues to the ANP which included his room and board at the "Mansion".

b6
b7C

[] related that after about two weeks he obtained a job at the B&S Car Wash located on Gleeb Road in Arlington. He advised that the names of the owner and manager were unknown to him and that he went to this place of employment upon the advice of other ANP members who met at the "Mansion", their headquarters.

He said he did not think that the ANP had any connection

with or exerted any influence with the owner or manager of the car wash. He advised instead that such places are almost always in need of help and "ask no questions". He said for that work he received a dollar an hour, but never earned more than \$30 in a week's time.

[] said that also working at the car wash were the following individuals:

[] from New York City, who at that time was an associate member of the ANP.

[] described [] as follows:

Sex:	Male
Race:	White
Age:	22
Height:	6'2"
Weight:	200 pounds
Hair:	Blond, brush cut
Eyes:	Blue

b6
b7C

Unknown Subject from Pennsylvania described as follows:

Sex:	Male
Race:	White
Age:	21
Height:	5'8"
Build:	Stocky
Eyes:	Blue
Hair:	Black
Peculiarities:	Described by [] as an ex-serviceman.

Unknown Subject known only as "Creampuff" described as:

Sex:	Male
Race:	White

Age: 24
Height: 5'6"
Weight: 110 pounds
Hair: Blond
Eyes: Blue
Peculiarities: A "clown" type

[] related that every Sunday night ANP meetings were held at the "Mansion" when usually 20 to 30 persons would attend. He said these were open meetings and that not all those present were members or associate members. He advised he was unable to identify by name any of the "outsiders" who came to these meetings, but did recall that three or four of the men present were members of the U.S. Army, one of whom was a Private First Class from Fort Meade.

[] stated he recalls on one occasion among those present were two enlisted men from the Marine Corps. He maintained he was unable to furnish any further information concerning these individuals.

b6
b7C

When questioned about his own activities while associated with the ANP, [] related that on one occasion in a group of approximately 25 individuals from the ANP in Arlington who traveled in cars to some college town approximately four hours driving distance from Arlington, they staged a demonstration against the Jews. [] asserted that on this occasion he acted as one of the bodyguards for GEORGE LINCOLN ROCKWELL who addressed the group of students. He related that all of the ANP personnel were dressed in civilian clothes.

[] claimed he also participated in approximately nine demonstrations by the ANP in front of the White House in Washington, D.C., explaining that the ANP staged such demonstrations on practically every week end. He advised that

for such occasions the ANP people wore their storm troopers uniforms and were usually led by "MAJOR" [REDACTED]

[REDACTED] asserted that when such demonstrations were held or initiated by the ANP, it was the policy of the ANP that they should never initiate any violence. He explained that he was told that on some occasions the ANP would have men planted in the audience with cameras to photograph any violence that might occur. He said he was also told by ROCKWELL that occasionally the ANP plants in an audience or crowd would deliberately provoke or attack ANP demonstrators and that the incident would usually be photographed by one of the ANP cameramen for evidence that it was not initiated by one of the ANP demonstrators.

b6
b7C

[REDACTED] related that he was part of an ANP group that traveled to New York City to demonstrate against the Communist May Day Celebration in 1962. He said the ANP group was headed by an individual, name unknown, who was a civilian employee of the U.S. Map Service and received considerable publicity as the result of the ANP demonstration because of his refusal to destroy anti-Jewish placards and was jailed as a result.

[REDACTED] related that ROCKWELL has an agreement with ELIJAH MUHAMMUD of the Nation of Islam.

A characterization of the Nation of Islam is included to the Appendix hereto.

b6
b7C

[REDACTED] explained that according to the agreement, ROCKWELL would recruit Negroes for membership in the Nation of Islam and MUHAMMUD would recruit whites for the ANP.

[REDACTED] said he recalls one occasion while he was conversing with ROCKWELL, the latter made the statement that he would, if he had his way, use a leaky boat to transport all the Negroes to Africa.

In addition [] alleged ROCKWELL has claimed the ANP would take over the United States by 1972, its candidates being elected as a result of an economic depression that will occur in the meantime.

[] stated that the ANP literature is printed on a press located at ANP headquarters and is assembled at the "Mansion". He advised that the printing was done by a "lieutenant" (name unknown) who is a white male in his late 20's, 5'10", 165 pounds, light brown hair, wears glasses, is homely, ill tempered, and spoiled.

b6
b7C

[] stated he never observed at ANP Headquarters or at the "Mansion", any firearms or other military equipment in the nature of military supplies, but asserted instead that a number of the members and officers of the ANP did have their own personal helmets and luger pistols. He was unable to supply the names of such individuals or any further information concerning them.

[] asserted that he became disillusioned about the ANP generally because as a result of his contact with ROCKWELL and other leaders in the organization he felt that they were not sincere in their professed beliefs and that they possibly were interested only in advancing their own financial positions.

[] said that ROCKWELL displayed what he described as a haphazard attitude during the ANP meetings, made a very poor personal appearance and impression, and seemed to be interested only in the money he could obtain as a result of the ANP activities.

b6
b7C

In addition, ROCKWELL, according to [] has spoken in a disparaging manner of a number of the German Army heroes of World War II. [] stated he was inclined to believe that ROCKWELL may actually be a Communist using the ANP as a means to bring to light those who are sympathetic

to the philosophy of Naziism.

[] continued that as a result of his disappointment with the ANP, he and a fellow associate member named [] traveled to New York City in May, 1962, where they contacted the Anti-Defamation League and revealed their knowledge of the ANP.

Throughout the interview [] was unable to furnish more specific information concerning the efforts and individuals he mentioned.

[] was able to furnish physical descriptions of only the following individuals he said he met while at the "Mansion" and ANP headquarters in Arlington, Virginia.

NATION OF ISLAM,
Formerly Referred To As The
Muslim Cult of Islam, Also Known
As Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 2, 1962, a second source advised: ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI). MUHAMMAD's Temple of Islam Number 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI. In mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam".

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

A P P E N D I X

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 2, 1962, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

Enclosed herewith for the Bureau and Richmond are copies of a letterhead memorandum containing the results of an interview with [redacted] at Cohoes, New York, by SA [redacted] on July 24, 1962.

As a matter of information [redacted] appeared to be cooperative, but a person of little intelligence and possibly mentally deficient. As an example he was questioned as to whether there was any ANP or related activities within the Albany Area that he knew of. He promptly replied in a serious manner that when he goes to the Unemployment Office to pick up his check, he sees a swastika in the Unemployment Office. When questioned for more specific information he replied again in a serious manner that the swastika had been carved in a railing as a prank by children. He advised that he knew of no other ANP activities in this area.

[redacted] on several occasions during the interview spoke with some pride of his well-known hatred for Negroes.

FIRST WORKING DRAFT OF
THE COTSWOLD AGREEMENTS

between the
National Socialist delegates
of

GREAT BRITAIN, THE UNITED STATES, GERMANY, AUSTRIA, FRANCE

THE IRISH REPUBLIC AND BELGIUM

ASSEMBLED IN INTERNATIONAL CONVENTION IN THE ENCAMP-
MENT IN THE COTSWOLD, UNITED KINGDOM.

PURPOSES

Immediate:

1. To form a monolithic, combat-efficient, international political apparatus to combat and utterly destroy the international Jewish Communist and Zionist apparatus of treason and subversion.
2. To protect and promote the Aryan Race and its Western Civilization, wherever its members may be upon the globe, and whatever their nationality may be.
3. To protect private property and free enterprise from communist class warfare.

Eventual:

1. To work toward the unity of all White People in a National Socialist World Order.
2. To work toward suitable arrangements with non-white leaders of other races to advance racial dignity and justice for each race on the basis of total and absolute geographic separation of the races.
3. To work toward just allocations of suitable and reasonable portions of the earth's surface for the exclusive sovereignty of the Black Race, of the Yellow Race, of the Red Race and of the Brown Race.
4. To work toward an eventual world ORDER, based on RACE, with just representation from each RACIAL group.
5. To find and accomplish on a world-wide scale a just and final settlement of the Jewish problem.

AGREED IDEAS AND STATEMENTS

AUG 16 1962

1. The international Jewish apparatus of political and economic power presently has the world enslaved, either in the snake-like coils of its Zionist, plutocratic, "democratic" international bankers and press demagogues, or the crushing tentacles of the world-gripping Jewish Communist revolutionary terrorist octopus. This international Jewish power machine cannot be stopped, much less destroyed, by any local or "national" group, nor can it be destroyed by any "cultural ring", association or club, but only by a COUNTER REVOLUTIONARY INTERNATIONAL POWER-APPARATUS OF MILITANT WHITE MEN.
2. Such an international apparatus to defend the White Aryan Race and its Western Christian civilization from the international Jewish gang of "democratic" plutocratic Zionists and red revolutionary terrorists, to be EFFECTIVE, must be CENTRALLY DIRECTED, not by any council or committee or parliament, but by a FIGHTING LEADER.
3. For the immediate present, and for tactical reasons, it is desirable that the international leader of WUNS should confine his authority and command entirely and strictly to INTERNATIONAL OPERATIONS ALONE. All signatory organizations and leaders pledge themselves to obey implicitly these international commands of the leader in international affairs. But internal operations and affairs within each country shall remain entirely under the absolute command of National Leaders in each country.
4. The "COTSWOLD AGREEMENTS" are understood to be only the ground-work, the frame-work and the starter for the World Union of National Socialists, to give us something SOLID on which to build. There has been a good deal of "give-and-take" between the signatories in the interest of making a start at last toward an international FIGHTING unity of our race, a unity such as the Jews have brilliantly maintained for six thousand years.
5. The name of the International Nazi Organization shall be "THE WORLD UNION OF NATIONAL SOCIALISTS".
6. The insignia of the World Union of National Socialists shall be a swastika with a small globe in the center, in the color of the Jew and United Nations blue flag, signifying the White Race crushing and exterminating these foul and alien bodies, and the fact that WUNS is INTERNATIONAL.
7. No organization or individual failing to acknowledge the spiritual leadership of Adolf Hitler, and the fact that we are NATIONAL SOCIALISTS, shall be admitted to membership in WUNS.
8. It is agreed that QUALITY, DISCIPLINE, and LOYALTY shall be the fundamental aims in building WUNS. We do not seek a large organization, or a large number of participating groups, but a TOUGH, FIGHTING, DISCIPLINED elite world organization which can put us at the end to the disunity of the Aryan White Race, and finally give the international White masses of the earth some real, international LEADERSHIP.

9. Only ONE leader and group in each nation may be admitted to membership in WUNS. Where two or more signatories in one nation seek admission, they will be required to fight until one organization attains unquestioned mastery and leadership in the National Socialist field.
10. Political nomads, trouble-makers, hoodlums, thrill-seekers and cowards of all stripes will be ruthlessly barred and scourged from all member organizations. The announcement by any National Leader of a WUNS organization that a particular individual in his country is a trouble-maker or undesirable for any reason shall be sufficient to insure the ostracism of such individual by the entire world apparatus of WUNS. In addition, the World Union will do all in its power legally to prevent any further political operations or sabotage by such trouble-makers or undesirables whatsoever and wherefore, and to see that as example is made of such persons to discourage further fractionalization and trouble-making.
11. Pending the World Nazi Congress of 1963, in nations having not yet signed the Cotswold Agreements, individuals will be admitted to WUNS, but it is national Nazi Groups, and not individuals, who are sought for membership, and membership to single individuals will therefore be closed as soon as possible. In no case may an individual join WUNS as long as there is a WUNS signatory Nazi group in his own nation.
12. Until the World Nazi Congress of 1963 can be held, The World Union of National Socialists will submit these provisional Agreements to as many National Socialist groups in other nations as possible, and seek, by every means to build the monolithic political fighting structure of WUNS while waiting for formal signatures at the World Nazi Congress in 1963.
13. Until the Nazi World Congress of 1963, it has been agreed that Colin Jordan, founder and leader of the British National Socialist Movement, shall be the International Leader, Pro Tempore, of the World Union of National Socialists. Lincoln Rockwell, Commander of the American Nazi Party, shall be the Deputy Leader, Pro Tempore, of the WUNS. International Secretary, Pro Tempore, shall be Capt. Karl Allen, of the American Nazi Party, and Deputy International Secretary, Pro Tempore, shall be John Tyndall, of the British National Socialist Movement. Permanent leaders and officers of WUNS shall be chosen at the 1963 Nazi World Congress.
14. International Leader, Pro Temp. Colin Jordan shall have the responsibility and the authority to make necessary arrangements and locate a nation where there still remains sufficient political freedom from domination by international Jews to permit a peaceful international Nazi assembly. In the event of the death or imprisonment of Colin Jordan, Lincoln Rockwell undertakes to arrange this World Nazi Congress for 1963.
15. At least once each month, starting in sixth months from the signing of these agreements, signatory organizations and leaders pledge an all-out effort on dramatic demonstrations on a coordinated world-wide basis on behalf of our respective races and nations, under the command of the International Leader, Colin Jordan.
16. Regular and formal "ACTION REPORTS" by all signatory organizations shall be submitted every fortnight to International Headquarters in London, where they will be correlated, edited and compiled, so that the compilation can be then sent out from London to all signatory members once a month.

17. The World Union of National Socialists shall publish quarterly, at first, a publication to be called "THE NATIONAL SOCIALIST WORLD". Actual printing shall be accomplished in the American Nazi Party. But all material for THE NATIONAL SOCIALIST WORLD shall be first gathered by International Headquarters in London, approved by the International Leader, and then edited and assembled in the publication offices in Arlington, Virginia, U.S.A.
18. Our Nazi Party Comrades in Germany and other nations where our ideas are brutally and illegally suppressed, shall be forbidden to participate in any open operations which might jeopardize the growth of the movement in these "democratic" and "free" countries. Instead, they agree to organize on the "cell" principle, and work entirely underground until the illegal suppression ceases. Every precaution will be taken by other member organizations of WUNS to guard the identity and operations of our German comrades with our lives, if necessary. Knowledge of leaders in the suppressed nations shall be restricted to those who MUST know such information, and will not be divulged to any who are not required to know such identities, etc.
19. The World Union of National Socialists recognizes PRIVATE PROPERTY and FREE ENTERPRISE as the natural and therefore essential cornerstones of a prosperous and just economy, and undertakes to protect these assets and systems with every resource at its command.
20. At the same time, WUNS recognizes that Jewish Marxist ideas of "class-warfare" and "equality" must be destroyed, and that we must work toward a society in which all honest and productive citizens receive just rewards for their labor, regardless of their "class", and that they receive absolute social justice.
21. Each signatory to the Cotswold Agreements pledges his organization to MAXIMUM efforts in the way of demonstrations, leaflet distributions and other protests whenever any of our leaders or members are illegally persecuted for attempting, legally and peacefully to promulgate our legitimate ideas and expose the illegal and criminal machinations of the international Communist-Zionist-plutocrat Jews.
22. It is agreed that WUNS and all member organizations shall at all times remain scrupulously within the laws of their respective nations and international law, so long as the respective governments under which we operate, and which we seek to protect, do not use illegal methods of force and violence against us. WUNS shall be an absolutely open organization, except where National Socialist ideas are, per se, a crime, as in "democratic" Germany, Austria, etc.
23. But in Jew Communist Countries, and in any country where, under pressure from the Jews, the government resorts to outright violations of the law against us, and illegal force and violence to prevent our peaceful propagation of our ideas, the National Socialist Party of that country will have no choice but to go underground and survive and succeed by whatever methods are left to it and seem most likely to succeed. It shall then be the duty of signatory members to work under the direction of the International Leader to raise and maintain an international force over the illegal terrorism of our people by the offending, Jew-dominated government. It shall further be the duty of all WUNS units to help the members of the persecuted units to secure political asylum or other means of survival, until the illegal and terroristic government involved can be brought to terms with legality, honesty and decency.

24. Because of the tyrannical pressure on The Government of Great Britain by the Jews, and the resulting exclusion from the Cotswold Conference of the delegates who attempted to come from Sweden, Iceland, Norway and many other nations, the signatories to these agreements have entered into the compact without the concurrence of their National Socialist Comrades in these other nations. For this reason, these documents will be signed by the plenipotentiary Nazi delegates present only as tentative drafts, and it is understood that they may be and probably will be modified after submission to the delegates who were excluded by Great Britain.
25. Joining forces with WUNS shall be understood to be a one-way arrangement, and nothing like joining a club or society. Defections shall be considered treason, and shall be published accordingly at such time as proper legal trial and judgment shall be possible.

Agreed to at Cotswold, England this 5th day of August, 1962.

Mr. J. Edgar Hoover
Director Federal Bureau of Investigation
Washington, D.C.

Dear Sir:

In a recent letter I mentioned the hopelessness of a private citizen trying to cooperate with law enforcement agencies.

In an attempt to accede to your suggestions I am mailing the enclosed for your consideration. I am not a communist, a red, a pink, a Birchist nor an extreme conservative. I am of conservative leanings but not enough to accept Hitlerism. I feel we have no need of his philosophy in this country. We criticized the German people for accepting Hitler, why do we encourage it here? I suppose under our laws and as a result of the Supreme Court decision, Rockwell has the freedom (maybe the right) to preach his thoughts. But counter measures should be taken to educate the public to its dangers.

I am not desirous of receiving the enclosures and would be glad to have it stopped. I mail it to you to express my disgust and alert you, in case you have not already been alerted, on what gives.

Very truly yours,

On Aug. 27, Dean [redacted] dean of [redacted] at C. W. Post College, Greenvale, NY (college part of LIU) telephonically advised the following regarding phone calls made to various Post College officials by [redacted] who has identified himself as a member of the captioned organization.

[redacted] advised that as early as last April 1962 [redacted] contacted the college requesting permission to hold a rally on the campus by this organization. [redacted] advised that the College refused such a request and he so advised [redacted]. During this conversation in April [redacted] took issue and attacked the college educators in the US calling them "high handed and a closed corporation". [redacted] also advised that [redacted] in a phone call conversation at that time in April picked the educational system in US apart.

In July 1962 [redacted] again phoned [redacted] at the college and made inquiries regarding freshmen hazing at the college. [redacted] advised him of the college policy in this regard and [redacted] at this time indicated that some one he knew who was going to attend Post College may not follow the rules in this regard, however [redacted] never mentioned any names of students etc. Apparently [redacted] was not satisfied with his explanation and [redacted] stated to [redacted] something to the effect [redacted] made a note of this remark at the time) "--- -- lets hope it won't be long before Mr ROCKWELL takes over the educational system -- I am sure that there isn't anything which a program of genocide would not cure -- I hope to preside at your execution". At this call in July [redacted] asked [redacted] if he knew GEORGE LINCOLN ROCKWELL and that he [redacted] was a member of captioned organization.

On Aug. 27, 1962 [redacted] again called officials of the college and spoke to the President's Office of LIU in Bk. speaking with President Pell's Administrative asst. Mrs [redacted] and again made inquiries as to what would happen with any freshmen if they did not follow college policy during the "frosh Hazing". Mrs [redacted] again gave the same answer to [redacted] as did [redacted]. Apparently not being happy with this answer he called the LI campus of Post College and spoke with Dean [redacted], dean of women. He asked her the same question and she cut him off. [redacted] then called Dean [redacted] Dean of Admissions and after asking the same question he asked [redacted] if Dean [redacted] was a Jew since she cut him off when he spoke to her on the phone, [redacted] told [redacted] "when we take over the educational system Dean [redacted] will be one of the first to go".

Dean [redacted] stated that [redacted] has not made any request for another rally at Post College but he is pest with these phone calls and the college wanted the FBI to be aware of this for their information. [redacted] was advised that all information in the FBI files regarding any organization is confidential. He was advised to call this office anytime to furnish information the college wanted reported. Dean [redacted] asked if the FBI was familiar with the organization and [redacted] and for this reason was advised of the confidential nature of the FBI files.

Reference is made to a telephone call from Supervisor RICHARD B. LAVIN at the Bureau to NYO this date.

Enclosed for the Bureau is a complete issue of "Jewish Press", volume XII, number 32, dated Friday, August 17, 1962 in order that the general leaflet and tenor of the paper may be observed as well as several specific articles referring to GEORGE LINCOLN ROCKWELL, or the Nazis.

Bureau attention is invited to the column on the first page which contains a letter from the United States Attorney General to the Jewish Press.

Officer [redacted] 60th Precinct, NYCPD, West 3rd Street and Kintner Court, Brooklyn, advised SA [redacted] this date that "Jewish Press" is published weekly at 2427 Surf Avenue, apparently by the same concern which publishes the "Brooklyn Daily". The "Jewish Press" is probably the successor to the newspaper known as the "Coney Island Times" which went out of business.

RACIAL MATTERS
(OO: RICHMOND)

NY 2471-S* furnished information on 8/29/62, reflecting that an individual self-identified as Lieutenant [redacted] (ph), one of ROCKWELL's Lieutenants, contacted LOUIS WEINSTOCK at offices of "The Worker", that day.

[redacted] (ph) inquired as to whether he could run an ad in "The Worker" and was told by WEINSTOCK that the paper did not accept Fascist ads. [redacted] (ph) could not understand why WEINSTOCK would not accept his ad when Communist ads are printed in the paper. WEINSTOCK stated "we" are a Communist organization.

After WEINSTOCK firmly refused to print the ad, [redacted] (ph) threatened WEINSTOCK by saying, "We will get you - we missed you last time". WEINSTOCK stated he did not understand what [redacted] (ph) meant, whereupon [redacted] (ph) stated, in effect, that the Jews who were not exterminated during HITLER's purge would be taken care of in the future.

The above is being furnished to the Bureau and the office of origin for information. From the foregoing, it would appear that [redacted] (ph) made no direct threats against WEINSTOCK and "The Worker" as such, but rather against Communists and Jews in general.

I. ORGANIZATION STRUCTURE

A. HEADQUARTERS

GEORGE LINCOLN ROCKWELL, self-designated leader of American Nazi Party (ANP) and members of ANP continue to maintain headquarters at 928 North Randolph Street, Arlington, Virginia. This property is rented at the rate of \$100.00 per month. It is a white frame, two story house. The owner is FLOYD FLEMING, a long time associate of ROCKWELL and sympathizer in the cause of ANP.

(RH T-5, 4/11/62, who is in a position to obtain information re activities of ANP)

A characterization of ANP is in the appendix of this report.

Members of ANP moved into 6150 Wilson Boulevard, Arlington, Virginia, during the last week of March, 1962

(RH T-2, 4/20/62, who is in a position to obtain information re ANP)

ROCKWELL made an oral agreement to pay owner of the Wilson Boulevard property \$225.00 per month beginning May 1, 1962. By May 1, 1962, ANP members resided at this address for five weeks, rent free. ANP had difficulty paying an electric bill in excess of \$80.00. This bill had been owed to the power company since ANP moved out of the property during November, 1961. ANP had to put up a deposit in excess of \$100.00 before the electric company would turn on the power.

ROCKWELL said that he will give the power company deposit to the owner of the property when ANP moves out. ANP is using this property as a dormitory for its members. It is referred to as auxiliary headquarters of ANP or more simply, "The Mansion".

(RH T-2, 4/24/62)

ROCKWELL said ANP is in severe financial straits. ANP cannot pay rent on auxiliary headquarters. ANP will continue to

RH 157-93

occupy the Wilson Boulevard property because owner feels ANP will prevent local vandals from destroying property.

(RH T-2, 5/9/62)

ROCKWELL signed rental agreement for property at Wilson Boulevard. Agreement stipulates he is to pay \$1.00 per month. There is another tenant on the property and this tenant has signed a similar lease. Owner of property insisted on signing lease so neither tenant could claim squatters rights when property is sold.

(RH T-2, 7/16/62)

There are two telephones at ANP headquarters. One is a regular dial phone with telephone number 524-5831. The other is a pay phone with number 527-9872. Auxiliary headquarters has a pay telephone with number 534-9767.

(RH T-5, 6/22/62)

D. FINANCES

[redacted] (ANP members) and FLOYD FLEMING (ANP Associate), are contracting house painting as a means of livelihood.

(RH T-5, 3/15/62)

ROCKWELL was able to make a speaking tour of the United States because [redacted] an ANP lieutenant, made an initial \$500 donation. ROCKWELL obtained additional funds by taking up collections from associates in cities included in his itinerary.

(RH T-5, 3/15/62)

ROCKWELL is attempting to obtain invitations to speak at colleges throughout the United States. He hopes this will be a source of revenue for ANP.

(RH T-5, 4/9/62)

ANP is printing a magazine called the "Stormtrooper". There are six issues per year. Each issue costs 50¢. The magazine is composed and printed at ANP headquarters. The first issue was dated February, 1962; however, it was not published until late April, 1962.

(RH T-5, 5/22/62)

RH 157-93

ROCKWELL said he received \$100.00 from a newspaper in London when he gave the paper a personal exclusive interview. He said he received \$400.00 for the sale of ANP photographs. ROCKWELL is planning to sell the story of his trip to England (made July 28 to August 8, 1962) for \$1800.00.

(RH T-5, 8/8/62)

ROCKWELL continues to receive mail contributions from sympathizers. Recently he sent a letter to all ANP associates soliciting funds. The money from dues of active members, subscriptions to publications, and sale of ROCKWELL's book, "This Time The World" is insufficient for the ANP operation. ROCKWELL's book has been through its third edition.

(RH T-5, 8/27/62)

E. ORGANIZATIONAL PLANS

ROCKWELL is attempting to obtain speaking engagements at colleges throughout the United States. ROCKWELL left Arlington for New York City on April 10, 1962, to fulfill speaking invitation at Hunter College. ROCKWELL believes engagements such as this will assist him in recruiting members and establishing new territorial headquarters within the United States.

(RH T-5, 4/11/62)

RH 157-93

II. OBJECTIVES

ANP objectives have not changed since its inception. Use of speeches, picketing, and distribution of literature printed by ANP at its headquarters, are the activities used by ANP to further the organizational tenets.

(RH T-5, 6/21/62)

RH 157-93

III. MEETINGS

On April 9, 1962, a meeting of ANP was held at headquarters, Arlington, Virginia. Since that time, meetings have been held whenever a quorum is available. It is often difficult to gather a quorum because so many of the members are either out of town participating in demonstrations or in jail because they have participated in demonstrations. Most often a meeting can be held during a weekend, although meetings have been held during the week. Meetings are most usually held on Sunday afternoons when members are not at their usual places of employment.

(RH T-5, 8/27/62)

IV. ACTIVITIES

On February 25, 1962, ROCKWELL left for Chicago, Illinois, to speak to the Nation of Islam (NOI). He spoke the same day before a convention of NOI at a Chicago auditorium. About six members of ANP accompanied ROCKWELL at the convention.

(RH T-5, 2/24,26/62)

A characterization of NOI is in the appendix of this report.

On March 15, 1962, ROCKWELL returned from a speech making tour. ROCKWELL made speeches at Chicago, Illinois; Los Angeles, California and San Diego, California. He also made stops in Houston, Texas and Jacksonville, Florida. ROCKWELL contacted associates at each stop.

(RH T-5, 3/15/62)

On March 15, 1962, an Agent of the FBI observed ROCKWELL arrive by plane at Washington National Airport. The plane was en route from Jacksonville, Florida. ROCKWELL left the airplane and went to ANP headquarters.

The Washington Post, a daily newspaper in Washington, D.C., carried an article in the April 6, 1962 edition stating "Two members of ANP, Karl R. Allen, 31, and Bernard F. Davids, 21, were found guilty of disorderly conduct yesterday by Municipal Court Judge Mildred E. Reeves...". "The charges were brought March 17, 1962, when Allen and Davids, counter-picketing against anti-discrimination pickets near the Justice Department, dragged on the ground a red flag bearing a hammer and sickle emblem. The crowd that formed was broken up when they were arrested..."

On May 19, 1962, nine members of ANP picketed in front of the Lee Theatre, Arlington, Virginia. Twelve ANP members returned to picket on May 21, 1962, ANP was picketing anti-discrimination pickets from National Association for Advancement of Colored People (NAACP). The NAACP were picketing the Glebe

RH 157-93

Theatre. ANP members carried signs bearing the following: "Reds Push Race Mixing". "Communism is Jewish". "Negroes have Pride - Join Black Muslims". "Down with Race Mixing". "CORE Head is a Jew". "CORE" ("C" is letter drawn to look like a hammer and sickle).

(RH T-5, 5/19,21/62)

A characterization of Congress of Racial Equality (CORE) is in the appendix of this report.

On June 1, 1962, ROCKWELL left Arlington, Virginia, to attend a class reunion at Brown University and to make a speech on television in Boston, Massachusetts. After attending class reunion, he traveled to New Orleans, Louisiana to join two ANP members who hitchhiked to New Orleans from Arlington, Virginia.

ROCKWELL and his two associates picketed NAACP headquarter. From New Orleans, ROCKWELL went to Miami, Florida, where he joined ANP Captain [redacted] who had been sent to Miami on special assignment.

b6
b7C

(RH T-5, 5/29/62)

ROCKWELL returned from above tour during first week of June, 1962.

(RH T-5, 6/8/62)

On June 11, 1962, Major WILLIAM FAWVER, Chief of Police, Arlington, Virginia, interviewed ROCKWELL to determine if ANP was preparing to participate in an "Anti-Semitic Shock" which was to take place in Germany. The "Anti-Semitic Shock" was to include bombing of a synagogue on June 21, 1962.

RH 157-93

ROCKWELL told Major FAWVER ANP's only contact with Germany is the current printing at ANP headquarters of recruiting type material which will be forwarded to an ANP affiliate in Frankfurt, Germany.

Chief FAWVER said ROCKWELL would not identify the ANP affiliate.

According to Chief FAWVER, ROCKWELL said the Federal Bureau of Investigation and the Arlington Police will be notified as soon as he receives information regarding any plan to set off a bomb.

On July 28, 1962, ROCKWELL left Boston, Massachusetts and flew by commercial airline to Shannon, Ireland. He had a meeting with Nazi sympathizers in Great Britain. Sympathizers represented Britain, Belgium, France, Germany and Austria.

(RH T-5, 7/31/62)

On August 9, 1962, ROCKWELL returned to ANP headquarters on flight from Boston. ROCKWELL was completing the last leg of his trip to Ireland and Great Britain.

(RH T-5, 8/9/62)

The Sunday Star, a daily newspaper at Washington, D.C., carried the following article on page B4 of the August 12, 1962 issue: "GEORGE LINCOLN ROCKWELL, head of the ANP, called a press conference yesterday to tell reporters how he slipped into Britain.

"Rockwell, deported from Britain two days ago, said he took a boat from Belfast, Ireland to Heysham, England, after landing at Shannon Airport.

"'A whole regiment of Nazis could do it' he said. 'So could a whole regiment of Communists' he added. Rockwell claimed that an international Nazi movement had been started called WUNS, or World Union of National Socialists".

V. MISCELLANEOUS

The Virginia State Legislation revoked ANP's Virginia State Corporation Charter. In this regard, the Richmond Times-Dispatch, a daily newspaper in Richmond, Virginia, carried an article in the July 12, 1962 issue "The charter of the ANP was revoked automatically by law and no other formal revocation is necessary, the State Corporation Commission reported yesterday.

"The revocation was effective June 29, 1962, under legislation enacted by the General Assembly last Winter. That was all there was to it, said Ralph T. Catterall, a member of the Commission.

"Catterall said the Arlington based group had applied for an amendment to change its name to ANP, Inc., but a technical error in the application had caused it to be rejected.

"Lincoln Rockwell, President of the Nazi group, said earlier his organization would 'fight to the death' to obtain a state charter.

"Rockwell filed suit in Arlington Circuit Court late this month, seeking to prevent the State from revoking the charter. The petition, however, was not given an immediate hearing.

"Rockwell said when he is notified the charter has in fact been revoked, he will file for a charter under another name".

While at ANP Headquarters, he was accepted as a loyal member, and was welcomed to the group. While at the Headquarters, he saw GEORGE LINCOLN ROCKWELL and talked to him briefly, but he noted that ROCKWELL was extremely busy working on the printing press, getting out literature. He learned that ROCKWELL plans to file an injunction against the State of Virginia to hold up the scraping of the ANP charter. ROCKWELL is acting as his own lawyer, and he is contending that the bill passed by the Virginia Legislature outlawing ANP is unlawful as it is discriminatory.

ROCKWELL is shipping his books overseas, particularly a lot of it is being mailed to Germany.

ROCKWELL has sent a considerable amount of small booklet about 2½" by 3½" which are made out of rice paper and can be destroyed easily in the event it is necessary. He advised that the ANP is using propaganda to appeal to the former Nazis in Germany and the booklets are printed in German. Also ANP has printed small stickers containing swastikas and has mailed approximately 60,000 to Germany. He noted that ANP is mailing these stickers in small envelopes through mail drops, and they have been mailed from various points in the United States.

Concerning finances, he advised that he learned little, but he was aware that ANP has to raise \$300 in the next few months or they would lose their headquarters owned by FLOYD FLEMING. FLEMING has stated that \$300 is needed for taxes and insurance. FLEMING was not observed at the headquarters during June 23-24, 1962.

According to [] ANP has fourteen - fifteen hard-core active members around their headquarters in Arlington, Virginia, and he observed the following during his visit of June 23-24, 1962:

RH 157-93.

A characterization of Fighting American Nationalists and the National States Rights Party is in the appendix of this report.

Memorandum

TO : SAC, NEW YORK (157-13)

DATE: 8/23/62

FROM : SUPV. RAYMOND J. RUCKEL #412

SUBJECT: AMERICAN NAZI PARTY
RACIAL MATTERS

On instant date at 10:15 a.m., Supervisor RICHARD B. LAVIN of the Civil Rights Section of the Bureau telephonically advised the writer that between 8:00 a.m. and 9:00 a.m. on this date, about six American Nazi Party (ANP) members passed out leaflets at the Justice Building, Washington, D.C., which leaflets carried at the bottom a photostat of an article which was purported to be taken from the newspaper entitled "Jewish Press", dated Friday, 8/17/62. This article bore the headline, "British Crack Down on Nazis". Supervisor LAVIN stated that this article indicated that it was from volume 12, issue 32, dated Friday, 8/17/62, and stated that the "Jewish Press" declared it would give ROCKWELL a warm reception wherever he appears in the future. LAVIN stated that the article indicated that the "Jewish Press" more or less "declared war on ROCKWELL" and requested that an attempt be made by the NYO to obtain a copy of the article and attempt to obtain information concerning the "Jewish Press". LAVIN requested that this information be submitted sometime today so that it would be in the possession of the Bureau the first thing in the morning of 8/24/62.

NYO indices were checked by SA [redacted] but no record was located concerning the "Jewish Press".

On 8/23/62, IC [redacted] checked the records of the Credit Bureau of Greater New York, but no record on the "Jewish Press" was located. [redacted] stated he was going to check Dunn and Bradstreet.

DEAR MR. BUCKLEY:

YOU WILL RECALL, I'M SURE, MY VISIT TO YOUR OFFICE IN MID-AUGUST, IN REFERENCE TO THAT HATE LITERATURE FROM THE " TRUTH SEEKERS" OUTFIT ON PARK ROW, NEW YORK.

AS YOU AT THAT TIME PREDICTED, I WOULD PROBABLY RECEIVE SOMETHING ELSE, AND BROTHER I SURE DID, AS YOU CAN SEE BY THE ENCLOSED. OF COURSE THIS CLOWN HAS BEEN IN THE NEWS, HAVING BEEN THROWN OUT OF ENGLAND AND CANADA, WHICH RAISES THE QUESTION IN MY MIND, WHY CAN'T WE THROW THE BUM OUT?

THIS OUTFIT, LIKE THE COMMIES, POSES A SERIOUS THREAT TO OUR SECURITY, AS YOU KNOW BETTER THAN I DO, AND THE SOONER WE DEFEAT THEM BOTH THE BETTER OFF WE WILL BE.

HAVING READ MUCH OF MR. HOOVER'S WRITINGS AND OF THE DEDICATED MEN AND WOMEN IN THE BUREAU I FEEL QUITE SECURE THAT WE WILL BE SUCCESSFUL IN THE SEEMINGLY ENDLESS FIGHT TO PRESERVE OUR GOD GIVEN FREEDOM.

MAY I ONCE AGAIN EXPRESS MY SINCERE THANKS & APPRECIATION TO YOU, YOUR STAFF AND THE ENTIRE DEPARTMENT, WITHOUT WHICH WE WOULD BE IN A VERY SAD SITUATION.

RESPECTFULLY
